J.D.S. – Genuine Natural Mineral Bath salts

Bring the health giving properties of the Dead Sea to your bathroom. They help in a natural way to provide relief from muscular tension and may benefit people with problem skin (eczema, psoriasis and acne). Ideal for relaxation and regeneration for all skin types.

J.D.S. – Natural Black Mud

At the lowest point on earth, a high rate of evaporation and a high concentration of minerals caused over eons of time a sedimentation process resulting in the famous „Black Mud“, which miraculously relieves pain in all parts of the body, especially at the joints, stimulates blood circulation and revitalizes the skin with eczema, psoriasis and acne.

Malki - Natural Mineral Soap

Rich with minerals and vegetable oils, this facial and body soap is a favourite even in hard – water areas. Good for dry skin.

Malki - Black Mud Mask Soap

Pure and unperfumed, this soap is based on black Dead Sea Mud, making it a unique product. Removes dead skin cells and impurities. It's special combination helps to relieve irritation and itching caused by eczema, psoriasis and acne. Good for all skin types.

Malki - Natural Sulphur Soap

Unperfumed and rich in a variety of minerals, mainly sulphur which keeps the skin clean and antiseptic. Good for greasy skin with acne.

Malki - Natural Mineral Shower Cream

Free of detergents and animal fat, this pure herbal product will cleanse and soothe the skin, leaving it soft and moisturised. Good for all skin types.

Malki - Natural Mineral Body Lotion with Shea Butter

This body lotion is free of detergents and animal fat, but rich in minerals from the Dead Sea. Highly concentrated, this unique product will gently condition your skin.

Malki - Natural Mineral Shampoo for normal hair

This natural product is made according to an old family receipt using olive, palm and coconut oils. It contains no synthetic detergents, colourants or thickening substances.

Malki - Natural Mineral Conditioner

Softens, detangles and hydrates without aggravating an itchy scalp. It acts like a moisturiser on dry skin – hungry hair literally soaks it up.

Run a warm bath and add two handfuls of Dead Sea bath salts

The potent combination of natural minerals in these salts includes potassium which helps regulate the fluid balance within our bodies and improve circulation and magnesium and bromide to calm and restore the system. There's also evidence that regular salt baths detoxify and reduce fluid retention in the tissues, so not only is it the perfect remedy for reviving energy in tired, post-gym bodies, it's a blissful solution for those seeking relief from health problems like aching joints, too. Make your bathtime ritual a real holistic indulgence by playing gentle music to help you unwind and light a few candles around the room to evoke a tranquil atmosphere. Now, all that's left for you to do is to lie back and let those Dead Sea minerals work their magic...!

We can't unfortunately take ourselves to the Dead Sea every couple of weeks for a therapeutic treatment. J.D.S. and Malki Dead Sea products bring the Dead Sea's goodness into your bathroom.
